
#1 KIDS FIRST® EDUCATION
Prep Path Series:
COLLEGE
Enhance student assessment *performance* and bolster *teacher capacity* by integrating *college-readiness* skills and concepts!

Teachers will:

- Understand skills and concepts for various tested content areas
- Plan and prepare to integrate content-specific “mini” sessions and modules
- Support students with college-readiness test-taking strategies

Students will:

- Set specific goals for mastery for various skills and concepts for multiple content areas
- Understand general formats of college-readiness assessments
- Apply effective test-taking strategies
- Apply content-specific skills to increase possible scores

Materials Include:

- ✓ **Detailed Agenda for the teacher**
- ✓ **Detailed, Animated PowerPoint for the teacher and student**
- ✓ **Practice activities for the student**
- ✓ **Videos for additional explanation and modeling, when applicable**

Training Includes:

- **Customized sessions for various content areas**
- **On-Site (half-day or whole day) or video modules**
